Experience

1997

George Parkyn school

Created programs that would challenge these great minds tutoring art classes for gifted children within the centre. One day school programs around the Auckland area extension curriculum for all ages mostly intermediate school.

1998-2000

Happenings Gallery

Redesigned a space to create an artist run gallery space in Parnell. There were 3 studios and an exhibition area. The space included art classes for adults and children throughout out the year. It was a great success and was handed on to another artist as I moved to Wellington to be with my daughter

2000 -2002

Sonulo

Created small works for the tourist market selling in stores across NZ
